Be An Umpire

Get active in your community while earning money.

The experience of being an umpire builds many skills such as self-esteem, confidence, and sport knowledge as well as being a very good part-time job. **Umpires in the Carillon Minor Baseball Association receive up to \$35 a game.** The CMBA is looking for adults and kids (12 and over) to umpire this season. Baseball experience is not a pre-requisite as umpires will receive necessary training and certification at the clinic(s) listed below. All umpires must be certified annually regardless of umpire or baseball experience.

Clinics available in the Carillon Region

Level 1 and 2 clinic April 23rd at the HyLife Centre in La Broquerie. 8:30-2:00

**Please pre-register for either clinic and/or direct questions by emails to Carillon Umpire in Chief Dave Forde
fordeofcanada@gmail.com**
