7. All innings consist of 3 outs or 6 runs for 15U (no limit for 18U)
8. The mercy rule (10 runs after 5 innings is in play) for both levels.
9. All players bat and must be placed in the batting line-up. (18U did not use this rule in 2017). Injured players are removed from lineup and an out is not recorded in their spot in the order. Defensive substitutions, other than pitching, are unlimited..

11. A player can not play pitcher and then play catcher in the same game. The first pitch thrown by a pitcher makes him ineligible to play catcher. A player may go from catcher to pitcher.
12. **PITCH COUNT TOTALS ARE UPDATED YEARLY) Please check MBA handbook for official totals and new rules . The maximum pitch count does not mean that is a suggested pitch count. The baseball LTAD plan and the CMBA encourages coaches to limit pitchers to 45 pitches (or less) until June 1st or a later date to ensure arm strength has been built to an appropriate level to reduce chances of arm injuries. The more pitchers you use each week the stronger your team and program will become.**
13. Coaches should be aware of other CMBA, Baseball Manitoba, and Baseball Canada rules and bylaws.
14. All postponed games should be scheduled (ideally played) within 1 week of the postponement.
15. League playoffs for the community league will be held for both levels. The winners of these playoffs do not advance to provincials.
16. CMBA reps for AA provincials will be regional AA teams. The winner of the 15U Provincial Playdown will advance to the A provincials. This playdown is optional for association 15U teams.
